B.B.A. MARKETING, MINOR - ENGLISH

**CITY BORN/GREW UP IN:** : Coleman, TX, a town of about 5,000 people out near Abilene and San Angelo. My family was in ranching there for generations.

**HIGH SCHOOL:** Coleman High School

**SPOUSE/CHILDREN:** Bill is my husband and Monica, our daughter, is loving her college experience at Clemson University. Go Tigers! She didn't choose Kappa (I tried not to let her see my disappointment!) and is a happy Zeta Tau Alpha. Bill also has two awesome sons, David and Jack. David is recently engaged, and we are super excited for his wedding in Spring 2020.

**CAREER/JOB:** I have my own boutique PR/Marketing firm, Moody & Associates ([www.moodypr.com](http://www.moodypr.com)). We have had success helping clients publicize their products, and I partner with a team of experts when clients need videos and other marketing materials.

**SOMETHING ABOUT YOU WE MAY NOT KNOW:** I love playing ping pong!

**FOND OR FUNNY MEMORIES OF BEING A KAPPA IN COLLEGE:** I loved living in the Kappa house at SMU where there were always sisters around, always a soap opera on the TV, and the food was delicious. Weekly Taco Salad night was the bomb! There was never a dull moment – our house mom fell through the ceiling, sisters trying to get in via the fire escape after the front door was locked, and many other fun times.

**SOMETHING YOU HAVE REALLY ENJOYED ABOUT KAPPA DALLAS:** So many opportunities to connect over service and social gatherings. Tablescape is amazing! The night group is super fun with dinner and wine.

B.B.A. MANAGEMENT INFORMATION  
SYSTEMS, MINOR - BUSINESS MGMT.

**CITY BORN/GREW UP IN:** Oklahoma City / Stillwater, OK

**HIGH SCHOOL:** Stillwater High School

**SPOUSE/CHILDREN:** N/A

**CAREER/JOB:** Sr. Director, Talent & Organizational Development at Epsilon (a global marketing company). I create leadership development and learning opportunities for managers and leaders within my company while also leading special HR projects.

**FAVORITE APPS:** Shoptagr - You can tag an online retail item you're waiting for to go on sale. The moment your item goes on sale, the app alerts you by email with the link to buy it (in your size and color selected). Just when you've forgotten about what you tagged, it will appear with a discount! Beware: your shopping spend will spike. ;)

**HOBBIES:** I love being active - from long outdoor walks and yoga to boxing and spin classes. I recently tried a surf class. Super hard but a lot of fun too.

**SOMETHING ABOUT YOU WE MAY NOT KNOW:** Baking is my therapy (and also feeds my giant sweet tooth).

**SOMETHING YOU HAVE REALLY ENJOYED ABOUT KAPPA DALLAS:** Everyone has been so friendly and welcoming to me and the programs have interesting speakers and topics. I always look forward to the next meeting I can attend.

**STAND WITH OUR SISTERS:** Harvard has imposed a policy that punishes our sisters for simply belonging to a private, single-sex organization like ours. Students have the right to shape their own futures—so it is time to stand up to Harvard!

Today, Kappa Kappa Gamma joined with other sororities, fraternities and students to file lawsuits challenging Harvard.
