Hobbies: **I love to ride horses! I have been riding/showing horses in the hunters and equitation my entire life. (I'm still searching for a good hunter/jumper barn in Dallas if anyone has any recommendations!) I also enjoy reading, being outside, going on road trips, and pretending I could be a contestant on Chopped.**

What is Something You Have Really Enjoyed About Kappa Dallas: **I love getting to make new friends. I didn't know anyone when I moved to Dallas a few years ago and having a group of ladies that I immediately had something in common with was a lifesaver. I actually met one of my best friend's through the Kappa Dallas blog. Someone had posted looking for a roommate in Dallas and I was also looking for a roommate, so I reached out. We ended up not having a similar timeline for our leases, but ended up the best of pals instead!**

A stack of playing cards is shown. The top card is a blue and white card with the word 'KAPPA' in large, stylized letters at the top. Below it is a large blue fleur-de-lis. At the bottom, it says '2018' and 'BID DAY' in a decorative frame. Behind this card are several heart cards, including the Queen of Hearts and the King of Hearts, which are partially visible. The cards are fanned out slightly.
