HIGH SCHOOL: Broken Arrow High School

SPOUSE/CHILDREN: husband, Doug, two sons: Brian and Clark; Brian is married to Hailey (TX A&M Kappa)

CAREER/JOB: worked for IBM after college then had my own computer software company for 15 years back before PC's .

FAVORITE BOOKS: recently am on a World War II historical fiction kick and have enjoyed The Nightingale, All the Light We Cannot See and Secrets of a Charmed Life.

HOBBIES: cooking and reading

SOMETHING ABOUT YOU WE MAY NOT KNOW: I was Miss FBLA (Future Business Leaders of America) in Oklahoma my Senior year in HS and placed in the top ten nationally. It was based on a test and interviews, not a pageant. :-) I went on to work for IBM after college then had my own computer software company for 15 years back before PC's.

SOMETHING YOU HAVE REALLY ENJOYED ABOUT KAPPA DALLAS: I have enjoyed getting to work with Kay Weeks, Jill Goldberg and Cynthia Beaird on the Kappa Kappa Gamma Foundation board of trustees. Dallas KKG is and has been well represented on the national board. I am proud of the incredible effort our association puts into raising money for local charities and the Foundation.

OTHER CLUBS OR ORGANIZATIONS YOU ARE A MEMBER OF THAT YOU RECOMMEND: This is my fourth year on the KKG Foundation board of trustees and I serve on the finance committee and investment subcommittee. I have also been involved in raising money to endow three scholarships for Beta Theta/Oklahoma. If you would be interested in helping your chapter fund an endowed scholarship, send me an email at tamela.lanier@kkg.org and I will be glad to help you!

FAVORITE BLOGS/PODCASTS/APPS: Lonestar Southern is one of my favorite fashion blogs. Kate is a Dallas gal and a Kappa! I love her bright, cheerful style. She recommends great products.

FAVORITE TRAVEL DESTINATIONS: This fall, I went to Iceland with a couple of Kappa girlfriends. Iceland is magical! The waterfalls and blue lagoon were beautiful. The island has lots of blue and blue!

HOBBIES: Running keeps me sane! I run a few miles almost every day. I enjoy running outside and seeing what is happening in the neighborhood. My sister also loves to run so it's something we do together. We've ran a couple of half marathons and are contemplating doing a full!

SOMETHING YOU HAVE REALLY ENJOYED ABOUT KAPPA DALLAS: The Junior Group is a fun way to stay connected to Kappa after college. I've made great friends by attending events and getting involved. I also enjoy volunteering at Tablesapes. The event is such a staple in Dallas and makes me proud to be a Kappa.
